ASHLEY SAGE MAKES HIS BONER RAGE!

Dear Voluptuous,

I just saw your magazine for the first time about a month ago and I can't believe that I have never seen it before. I picked up the March '10 issue and I loved it! You guys

believe in everything I think is good about a woman's figure; curves, big tits and curvy ass.

The reason I ended up picking up the magazine because I saw the photo of Ashley Sage on the cover in that white bra and I

thought she was one of the most-attractive

Reader T.P. from Brooklyn, New York wants to see Ashley Sage Ellison's, "...perky, very fuckable ass." Well, buddy, this one's for you.

women I had ever laid eyes on. What a beautiful face and her breasts are incredible. Now, based on the photo on page 66, where she is grabbing her own ass, I can say that I believe her to have a perky, very fuckable ass. I was wondering if there are more magazines featuring Ashley Sage where I can see more shots of her ass? What I wouldn't do to get my hands on a girl with her figure! Every time I look at her photos, I get a wild boner that I have to jerk right away. Ashley makes my fucking cock throb and rage, man.

I also think that your centerfold,

V-mag fan and boot lover, H.D. from Germany, sent us these drawings of Ashley Sage Ellison!

Michelle May also deserves an honorable mention for her incredible sex appeal. She is one hot tamale and the photo on page 46 where she is biting her juicy tit and there is red lipstick smeared all over it...well, let's just say that photo helped me score a home-run. The pics of her creaming her huge titties were pretty spectacular, too. She makes my dick so hard!

Please let me know where I can see more of these hot blondes and where I can find more copies of your magazine, too! Thanks.

-T.P., Brooklyn, New York

Dear T.P., Welcome to V-mag, boob brother! We are always happy to hear when a fellow

Riria from the October '10 issue is an Asian that caused quite a cummotion with readers who love curvy and horny ladies from the far East!

tit-lover finally realizes that *V-mag* is *THE* place for big naturals tits and curvy cuties!

As for your requests, you're in luck! *V-mag* has an extended back issues department in this issue so you can turn to page 84 and pick up copies of all the issues featuring your favorite Voluptuous ladies.

Ashley Sage Ellison has appeared in the following *V-mag* issues: April '09, June '09, July '09, August '09, November '09, March '10, June '10 and October '10. She has also been featured in the DVDs *Ashley's First Time* and *All Stacked, All Natural*, both available on page 9.

Your other dream girl, Michelle May has appeared in the November '09, March '10 and June '10 issues of *V-mag* and in the DVD *Ripe Racks*, also available on page 9. Hope this helps and enjoy the bonus shot of Ashley's ass, too!

V-MAG: A SAFE HAVEN FOR THIS BBW LOVER

Dear Voluptuous,

I would like to thank you for allow-

ing me to be myself. Until I picked up my first *V-mag* I didn't know it was okay to desire a BBW. I have always admired women with full-figured bodies. My last four girlfriends have been plus-sized women. The first time I saw Aspen, complete with all those curves, I was taken aback with pleasure. I thought that she had the most beautiful stomach, large, beautiful nipples, a meaty vagina and an extremely beautiful face. I knew then that I didn't care what my sorority girlfriends thought and just started dating larger women.

I did have one question about the magazine. Why haven't you featured any Asian BBW's? Asian BBW's do exist. It may be a mistake but I don't think I've seen an Asian woman in the magazine. Please try to remedy this. Also, on many of the spreads the models feet are not visible. I'm not asking for much, I just want to see the model's entire body from head to toe.

The meeting of two greats, Cherry Brady and Linsey Dawn McKenzie, happened on a shoot in Miami on a hot summer day in 2003.

I love the mag. Thanks for keeping me happy for 10 years. You guys are the best.—R.M., via the Internet

Dear R.M., Thanks for your email! We are glad that V-mag was able to help you accept your lust of BBWs. We appreciate your comments and requests. We are trying to feature more full-length shots of the models. As far as Asian BBWs go, we recommend Riria Misaki from the October '10 issue. With her full figure and her 38G bust,

we are sure you will love her. We look forward to hearing from you again.

WHEN CHERRY BRADY MET LINSEY DAWN

Dear Voluptuous,

I recently purchased a bunch of back issues to plug some gaps in my collection. Leafing through the October '03 issue, upon reaching page nine my jaw fell into my lap—there was Cherry

Cherry Brady puts her hands over head and unleashes her cannons.

Linsey Dawn McKenzie stretches and gives us a good look at her melons!

Jenna Valentine BRA GIVEAWAY! AND THE WINNER IS...

K.S. from BARNSELY IN SOUTH YORKSHIRE, ENGLAND!
K.S. wrote in and said:

Dear Jenna,
I would love to win your autographed bra because a) I think you're a hot lady, obviously. b) I really enjoyed your interview in the July '10 issue of V-mag because I noticed that you used the word "like" 42 times (!) which was kind of endearing. c) If I won your bra it would be treated with the care and adulation that only a true boob-love could bestow!—K.S.

Congratulations, K.S.! Hope you enjoy your prize. And thank you to everyone who entered the contest. Look out for more bra giveaways and contests in upcoming issues of V-mag!

Brady (Who'd debuted that year!) side-by-side with the Goddess, herself, the great Linsey Dawn Mckenzie! I had absolutely no idea that my two favorite SCORE Group models of all time had met, much less that there was photographic evidence of the occasion.

Could you please run these photos again—bigger—along with any others you might have of this historic event? I particularly like the pic of them shoulder-to-shoulder in the water—it would make a great centerfold (Hint, hint!). I think that Linsey's tits look completely awesome, as do Cherry's.

I know you have some new Cherry stuff in the pipeline—how much longer are we gonna have to wait for it? Don't do this to us. We want Cherry!—K.S., via the Internet

Dear K.S., Thanks for writing in. You can check out Cherry's return in the Holiday '10 issue of V-mag. You can score your copy by turning to page 84 of this issue. We hope that you enjoy the much-anticipated return of the great Ms. Brady as much as we did!

DEMANDING THE RETURN OF HIS FAVES

Dear Voluptuous,

In the December '10 issue you talk of how the V-mag readers demanded Cherry Brady's return. Well, I am demanding the return of Kerry Marie and Nicole Peters!—Anonymous, via the Internet

THE BRA SPECIAL WAS A HIT WITH HIM!

Dear Voluptuous,

As a long-time reader, I'd like to thank you for the boobs in bras feature in your November '10 issue. It's good to see how sexy these girls look when wearing them and leaving a little bit to are imagination. Mainly the gorgeous Ashley Sage, the very sexy Karina Hart and one of my all-time faves Samantha 38G. Also, as a ginger I was pleased to see gingers well represented in this issue with the very slutty Amber who really must be one of the kinkiest girls ever! (I'd love her to sit on my face while I lick

"THANKS FOR A WONDERFUL MAGAZINE."

Dear *Voluptuous*,

A few comments, if I may, about your excellent and sexy December '10 *Voluptuous* issue.

I saw Kristina Milan in your October '10 issue, but the other girls got me so excited that I didn't realize how really great Kristina is until I saw her XXX layout in the December '10 issue. The way her tits hang while she is getting fucked from behind is awesome, and she is obviously

Contessa Rose

The last time we saw Contessa Rose, a fiery ginger peach from Georgia, she was fucking and getting fucked in the April '10 issue. (And man did she look good getting speared!) Beloved by boob fans for both her creamy bosom and her lush, spankable ass, Contessa makes her return to the pages of V-mag and this time, she is sporting a top that looks more like a scarf. (Not that we are complaining.) True to life, this set made Contessa laugh as she spent a lot of time waiting tables in her hometown before becoming an adult model.

"I waited tables for a long time and I'd always think how hot it would be to just fuck after hours when the last of the customers went home. I like to have sex in public places, so having sex in a restaurant speaks to my kinky side," she said. And before you pin her as just another horny waitress, you should know that this redhead also plays a mean alto sax and belly dances, too. "I have always been creative and bellydancing is a great workout and an outlet for my creative energy. Plus, I like it when people watch me. I have a lot of fantasies that I am an exotic dancer. Even when I play the sax on stage, I find that the attention from the audience makes me wet. All those eyes on me get me hot and bothered!"

What else gets Contessa hot and bothered? Hot wax and knives, that's what. "I am into being tied up and I like it when a guy pours hot wax all over my nipples. The initial burn followed by the hardening of the wax and then, subsequently, the hardening of my nipples, is the sweetest torture there is. And once I am ready to fuck, I like to be cut out of my bonds with a knife."

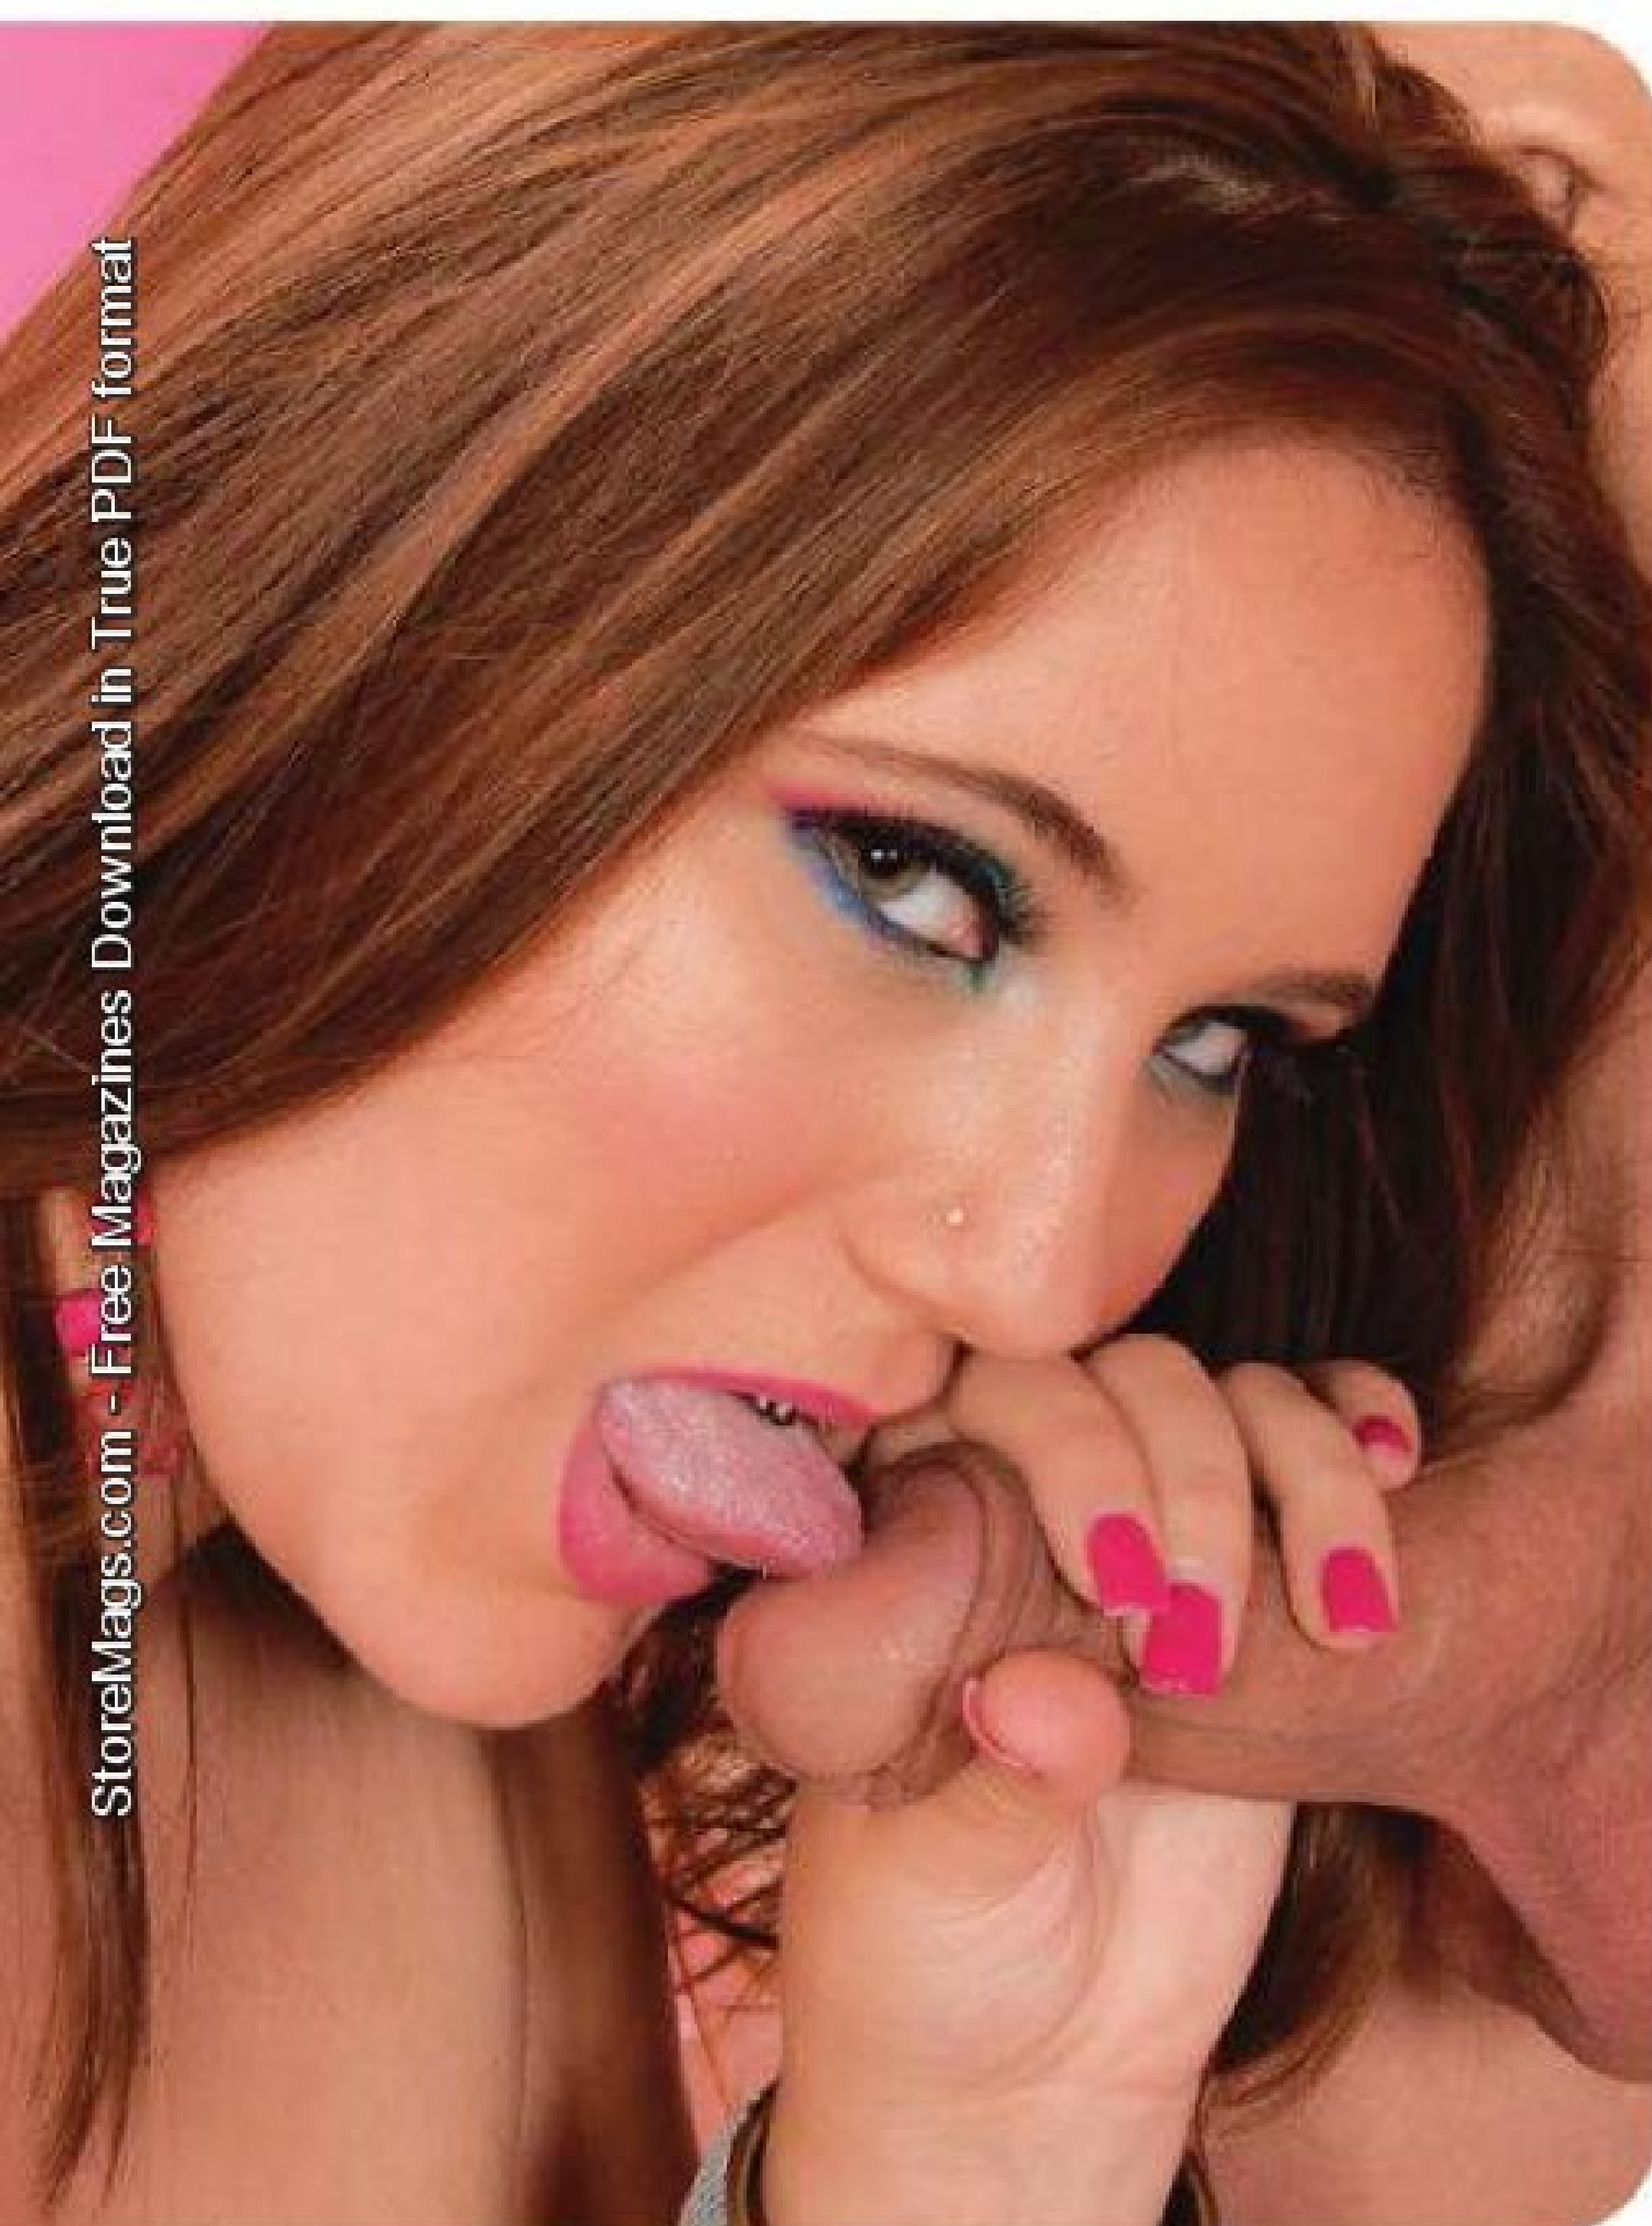

We first introduced you to 19-year-old Lexi Summers in the Feb. '10 issue of V-mag. In that issue, she gave us a racy play-by-play about how she likes to fuck. And being that we like to watch busty newbies fuck, we invited her to show us what she liked, rather than tell us, and with that, we herded in a hung porn stud to see if Lexi would put her money, er, cock, where her mouth is. We asked her to show us her BJ technique and she said, "Of, course!" and then she said, "I am one of those girls who really loves to give head. I enjoy it." And with that she went to work on this stiff shaft, and by the smile on her face, she enjoyed it.

Here at V-mag we believe that a picture (And maybe even a video!) is worth a thousand words. That's why when Lexi got down to the business of showing off her BJ skills, we got down to business snapping shots of her slobbering on a knob. And truth be told, she loved that we

were watching. "I love to fuck on camera," she said while gripping this cock and licking it seductively. "I love to spit on a cock when I'm about to suck on it. Just ask any man, he will tell you that he loves a girl who likes to spit on it. I like to get it nice and wet and use my hands, too."

"You should use whatever it takes to make a guy cum when you suck his cock. Your hands, your mouth, your tongue, your lips and your tits. I can't deep-throat yet, but it is something that I am trying to learn to master. I like to practice, practice, practice. Sometimes while I give a blow job, I like guys to take charge and talk dirty to me. I like to get compliments about my big tits and my ass. The more aroused I get, the more into sucking cock I am. If they tell me that the blow job I am giving is good, it makes me want to do even better. I think all men should talk dirty when a woman is giving them a BJ." Remember that advice, gents, if you ever get a BJ from Lexi!

Stacked Shorty

Daniella Grey

Gentlemen, meet Daniella Grey, a short and stacked sweetie from Nebraska who likes to read, watch sports games and go out in public with no panties on. That's right, this 21-year-old thinks panties are unnecessary but she always wears a bra to keep her 36I tits in check. She is packing a lot of breast meat on her 5'1" frame, but that's okay because she likes to play with her tits while she masturbates, which is pretty much all the time according to her. "I masturbate all the time. As soon as I wake up, any spare moment that I have during the day and before I go to sleep, too. I just like to cum and who better than me to satisfy my need to cum?"

Daniella Grey

Birthday: February 27, 1989

Age: 21 **Height:** 5'1"

Weight: 170 lbs. **Bra:** 36I

Measurements: 45-30-34

Lives: Papillion, Nebraska

Occupation: Model/Student

Hobbies: Watching T.V. and watching classic films.

Videos: *Big Girl Strip Club* (Rated XXX) available online at eBoobStore.com.

Another reason Daniella might not like to wear panties is that they might get in the way. You see, this tiny tart likes to get it on in the Great Outdoors. And she doesn't mind if you watch, either. "I have pretty much made all of my sexual fantasies come true. In fact, once I even had a threesome in the park in my ex-boyfriend's pick-up truck. We both fucked a girl and we did it while parked in front of the security cameras so park security could watch us."

Danielle listed doggie-style as the position that gets her off the best and who wouldn't want to spank that plump ass of hers? She also said that she likes to dress provocatively, but not too slutty when she is out. "I try hard to be appropriate, but it's tough because I have big boobs, so everything shows off my bust. I like to wear low-cut tops sometimes and I also like the vintage pin-up look." Well, Danielle, we like you naked!

Why I like XXX knocked-up chicks with big tits -by Dave Rosenbaum

I think that busty, pregnant women posing for naked pictures and videos and fucking on camera is hot.

Now, why would I think that?

Because they're not supposed to get naked for photos and videos when they're pregnant. Society says so. But they say, "Fuck society. I look sexier than ever. I'm pregnant and proud. My tits are huge." They're with-baby, but despite that, they're showing off their tits, spreading their legs and fucking and sucking. The only thing hotter than a busty, pregnant woman fucking is a busty, pregnant woman fucking and smoking, too.

That's why I enjoyed the DVD *Chesty Peggos* and why I definitely love the sequel a whole lot, too

The new DVD *Chesty Peggos 2* features three pregnant babes in XXX action: April McKenzie, Sunshine and Stefani. It also features the great Lorna Morgan, looking very pregnant and bustier than I've ever seen her, in solo action. And eight-months-pregnant Kali West giving some lucky guy a hand job. I like the idea of Kali giving a guy a hand job while she's pregnant

because even though she sluts it up on video, she still seems like the girl next door.

I snuck up on Kali in the studio

There is something extra-kinky about a horny, busty preggo like Lorna Morgan, star of *Chesty Peggos 2*, available on page 9.

**F-Cup
FOX**

Feast your eyes on Analee Sands, a full-figured fox from Illinois with big, ripe F-cup tits and a pretty face. When we first saw her, we fell in love with her big tits. However, when we allowed our eyes to drift to the rest of her hourglass figure, we realized what a juicy ass she has, too. "I like being naked," she said. "In fact, I like to have sex with men who are fully clothed while I am naked. It's my fetish."

Analee Sands

What other things get Analee going? Well, for one thing, she loves active men. "I like to do a lot of fun stuff outdoors. I like to go fishing, hunting and swimming. I love camping, too. In fact, the first time I had sex was with a German exchange stu-

dent on a camping trip when I was in high school. She and I shared a tent and then one thing led to another. It was really hot. My first time having sex and my first lesbian encounter." Now that's what we call the really GREAT outdoors.

"For me, there is something kinky about being outdoors and being naked. I love to sunbathe in the nude and feel the sun's rays on my body. I like to swim naked, too. If I had one wish, it would be that I owned a private nude beach that I could have fun on. I'd have a bunch of men rub lotion into my breasts and all over my ass. Then I'd tell them to unzip their pants and whip their hard cocks out and jack off for me. Maybe I'd fuck one while I watched the others stroking for me. It takes confidence to let a woman watch you jerk off. That's why I like tall men who have big hands and know how to work their wands."

Dixie Devereaux is what you call a well-rounded woman. Before she was a V-girl and a XXX sensation (If you have seen her bang in *Sex & Sucked*, you know exactly what a great lay she is. If you haven't, then you SHOULD. Immediately.), she was a stripper for a short while. Maybe that's why she knows how to put on a show, like she is doing with this short stack of pancakes. Something about those F-cup bombs coated in syrup is making us very hungry!

Dixie
Devereaux

Dixie started modeling after a woman saw her at a bar and suggested that she pose nude for V-mag. The rest, or the breast, as they say, is history. She came and then we all came! But this exhibitionist wasn't always so sexually free. In fact, she told us that she had never even given a blowjob until she was 25! What made her wait so long? She was unsure about what to do. "I didn't like the way a dick looked. I didn't want to suck it. But then I started liking it. I got really good at it. It's, like, once I started doing it, I started loving it. Now I'm great at it." And there you have it. Proof that practice makes perfect. When she isn't improving her BJ skills, Dixie likes to go swimming, play tennis and watch boxing. And she likes pancakes, too!

"Doing this shoot was fun because I like to dress up and feel sexy. It is all part of the fantasy side of sex. You should always fulfill your fantasies," she said. And one of her biggest fantasies? Having a wild orgy with three other women and one lucky guy. "Orgies make me horny. I like the idea of a lot of women and one guy because women are sensual. I would love to ride a fat dick while a bunch of hot women are licking and sucking my tits and spanking my ass. It's one fantasy I am looking forward to making into a reality." We'd like to see that dream cum true, too, Dixie.

before she shot her scene. I couldn't decide what to focus my eyes on; her swollen tits or her swollen belly. So I compromised and focused on both. The whole time, I was wishing that I had been the one to knock her up.

Poolside: Wetter IS better

-by Maria Guerrero

There is a scene in one of my favorite movies, *Zoolander*, where Ben Stiller's character is in a commercial as a Merman and he says, "Moisture is the essence of wetness, and wetness is the essence of beauty."

Well, I cannot agree with that statement more. BECAUSE I LOVE BIG, WET TITTIES! (I have often said I love wet lesbians, too. What can I say? I love H2O and hooters!)

And while my colleague Elliot "Boob Jedi" James will wax poetic about the greatness of Wet T-shirts, I think that the BEST way to see wet titties is in the pool. Something about a sexy lady and her ginormous knockers in the pool makes me fucking horny. All that wetness. All those beads of water cascading down nipples and tummies and heading to crevices unknown...whew! It makes my, um, mouth water.

I mean, take a look at Ines Cudna down there. With her sexy face and her wet curves, don't you want to jump right in and take a swim with her beau-

J-Cup Knockout

When Kristina Milan debuted in the October '10 issue of V-mag, her caramel J-cup globes stunned readers. Some were bowled over by the size of her sucklers and others because they were engorged with breast milk. Kristina, a new mom living in the Dominican Republic says that she knows all too well the allure of her massive melons and their effect on tit-

loving men. The stacked Spanish senorita says that she has seen men bump into walls, telephone polls and even crash their cars when they get distracted and stare at her as she walks down the street. And although men hit on her all the time, she is actually shy so the best way to approach her and get her to talk to you is to be honest and funny.

With a rack that is more than a handful, maybe even more than two handfuls, how do you get Kristina off? By handling her melons with care she says. "I like to have my breasts massaged with oils and lotions. Not too hard, though. I don't want them to bruise. I just like them gently massaged and my nipples pulled. I don't mind returning the favor, either. Like a trade. A man can massage my breasts and I will wrap them around his cock and massage him with my breasts." Sounds like a win-win, to us.

very talented orally. Believe me, I am making up for lost time over her.

I have a request that I like to see fulfilled. I'd be thrilled to see newcomer Cassidi Jai and Janet Jade together in a two-girl layout so that readers can compare their mega-boobs, their juicy pussies and their gorgeous asses. By the way, the full-page photo of Cassidi holding her pussy wide open is the best open-pussy photo I have seen in many months.

I always enjoy your models' choice of sexy garments to begin their layouts in. But I want to pay a special compliment to lovely Arianna Sinn for her hot, red mini-dress. Her tits look so magnificent hanging out over it. May I ask whether the dress is from Arianna's own wardrobe or whether your photographer chose it for her? I hope it's her own and that she will wear it again in a future layout.

Big, sexy gals like her really get my libido going, especially when they have nice breasts and very pretty faces. Angelina, fortunately, has both. I also a fan of her trimmed happy trail of pubes and her cute belly tattoo. I don't like it when a model's makeup looks too harsh or she looks too tarted up. Angelina looks like a girl-next-door and not like some porn star. That is what I like. I hope to see more of her in future issues. She is an incredible model.—H.S., Baltimore, Maryland

HE SAYS 2010 WAS A YEAR TO FORGET!

Dear *Voluptuous*,

I am writing about the Holiday 2010 issue and the year 2010 as a whole. I have enjoyed your magazine for several years, but I think this issue pretty well sums up my feelings on how the quality of V-mag has decreased considerably. I am not a fan of Cherry Brady; never have been, never will be. And as for her being, "Everyone's favorite redhead", well, I believe that Nicole Peters' fans would disagree. If you wanted to bring back a "Legend", why not bring back the great Nadine Jansen. I think that Nadine is the greatest V-Girl of all time, & you have not featured her in over three years? Where's Lorna Morgan? Carmen Hayes? Maria Moore? (And I don't mean those left over "retro", i.e.—you didn't have any new pics, that you ran in the June 2010 issue.). Karla James? Ashley Sage? April McKenzie? Nicole Peters? Janet Jade? I'm sorry but models like Bebe Cooper, Sabrina Leigh, Shione Cooper, Taylor Steele, & Samantha just don't cut it at all. Here's hoping V-mag gets back on top in 2011!—Anonymous, via the Internet

azine before, but I felt compelled to tell you guys that I think that the comparison set you did of Bebe Cooper and Kaytee Carter in the May '10 issue was great! Although I will complain that I think that Bebe merits her own layout and that I think that she is the best V-Girl you guys have featured in a long time. That being said, I want to ask that you feature more of these side-by-side shoots where we can see the ladies compare breast size and pussies.

Another thing that I would like to address in this letter is lesbians. I think there should be more busty lezzies in V-mag. I enjoy seeing two women with curves in the "69" position, eating each other's pussies, their faces coated in gooey girl cum. For example, the Bebe and Kaytee set would have been better if the ladies had actually fucked one another. Maybe in the future we could see more of that in the magazine, please? It would make fans like me extra happy. Especially when a lot of the models that you interview say that they like women and like to fuck them, too. If they like to get it on with other women, then you should let them do so on camera so we can all enjoy it.

The last thing that I would like to address about this issue is the incredible Jenna Valentine. She is another new model that you have been featuring lately that I think is gorgeous. I like her retro look and style. She reminds me of an old-Hollywood starlet. I think that she is beautiful. I would like to see more of her. Is there any chance that this model will be featured in a XXX layout or DVD soon? If so, I would like to order it in advance. With her pale skin and that extra-horny face of hers, I can't imagine anyone I'd like to see fucking than Jenna.

Other than these tips and suggestions, I have no complaints about the magazine. Every time an issue arrives at my door, I find it entertaining and enjoyable. You always try and accommodate all of your readers and that is important. Keep up all of the good work!-H.D., Las Vegas, Nevada

SCORELAND BLOG

Continued from page 61

tiful sucklers? I mean, think about being in a pool all alone; not so much fun. But, if you add a busty babe, all of a sudden you want to swim forever and ever, like a fucking tit-crazed Michael Phelps.

And I happen to think that busty babes are made for the water, too. I mean, they come with their own floatation devices. The minute they turn over on their backs, like Ashley Sage in the Nov. '09 V-mag, their floppers float up over the water. Does that mean that it's their fun bags that keep these ladies buoyant? WHO CARES? I just happen to think that they look pretty marvelous sticking up out of the water like that.

And not to mention that when you are in the pool, everything is lighter. Think about lifting a curvy girl on dry land and mounting her on your dick. As fun as it sounds, it is a labor of love. (And who wants to throw their back out while fucking? Hmm?) But you take that same curvy gal and lift her in a pool and she's lightweight and maneuverable, all the better for your dick. Fucking in a pool takes water aerobics to a whole new level of fun. That's why I am an advocate of pool-time perkies. The models enjoy swimming around and, hell, I enjoy watching them do it. Don't you? The same just can't be said for beach shoots. Sure, the girls look hot rolling around on the sand, but have you ever tried to fuck in the sand? (Just the thought of sand up places where it ain't supposed to be makes me cringe.) I say MORE poolside shoots in SCORELAND because WETTER is always BETTER.

Suckers -by Elliot James

There are many benefits to busty girls sucking or licking lollipops or popsicles. The greatest benefit is to me, of course, but this blog is not about me. The fact is, pop sucking helps stimulate the immune system, a great benefit to a girl's tits. You see, sucking lollipops stimulates the production of saliva, a substance that protects teeth from decay, adjusts the mouth's acidity levels

and keeps harmful bacteria from growing. Sucking also increases the flow of oxygen. More oxygen intake means a better immune system and a stronger metabolism. All of this means a healthier chest and tits.

Psychologically, when a big-boobed girl sucks on a lollipop, occasionally taking it out of her mouth to lick her lips, her levels of mental and physical tension automatically decrease. Stress affects all girls. Some girls reach for a cigarette to lower this stress. No good. Others wipe out an entire chocolate cake in one sitting. Not good either. Some bite their fingernails. Nah. Messy. Yech.

Sucking on a lollipop can relieve the stress and anxiety of modern life while providing a health kick to the day. If more large-chested girls would suck on lollipops, they would feel less nervous and stressed out. So I urge all busty women to stock up on the pops and keep them handy.

Back when I was a hippie, I used to hand out single flowers to the larger-breasted women I'd see. Now I often hand out lollipops to them instead and try to explain the benefits of sucking on them. Yes, I've had a few issues with mall security, but I think that's a small price to pay. Yes, lollipops hurt more than flowers when a girl throws one at you, especially when you get nailed in the eye, but again, if even one buxom girl will pick up the lollipop-sucking habit, my work is done. ☺

**We dont know what looks sweeter,
Janet Jade or her lollipop.**

Alix Lakehurst

Alix Lakehurst is not the type of woman who is afraid to get her hands dirty. In fact, she likes to be as hands-on as possible. Not only is she a hot, busty porn star, but she also wears the hats of artist and designer, as well as webmistress and actress. So, it should come as no surprise that she was tickled

pink (And then she tickled her pink!) when we asked her to don this busty construction worker uniform. Because Alix likes burly construction worker types, too. "Hairy chests are wonderful to rub and I also like a bit of a gut. I have never been into looks," she said because she likes average Joes.

Alix Lakehurst

Birthday: February 25, 1973

Previous *Voluptuous* Appearances:

April '10, April '09, November '08, May '08, January '08

Videos: *Big Tit Rubdown* and *Hooter Hospital* (Both Rated XXX) available online at eBoobStore.com.

If you've seen her fuck and suck in *Hooter Hospital* or *Big Tit Rubdown*, you know that Alix knows how to work with your tool, but this busty hottie can also work with power tools! "I am very crafty," she said. "I love making things with my hands and I write all the time." And while she will use you for your body, this horny gal will love you for your brilliant mind, too. "Intelligence gets me every time! I'm attracted to geeky, strong guys that can pick me up over their shoulder and also fix my computer. There needs to be an attraction but I like guys that can have a conversation about anything."

store.eggs.com

And because Alix is good with her hands, she is no stranger to having to improvise to get the job done. Like any exxxperienced tool smith, this Chicago bra-buster likes to expand her skill set by using her mouth, too. Her biggest fantasy? Back in the April '09 issue of V-mag, she told us that she wanted to work a woman over using her mouth. But not with just her tongue, because that would be too easy for this multi-talented vixen. "I want to try to fuck a girl with a dildo in my mouth. I have used strap-ons and double-sided dildos but never got around to using my mouth." We'd LOVE to watch that, Alix.

Sadie Berry

When we first met Sadie Berry in the November '10 issue of V-mag, this sweet ginger was posing solo. However, like most models, she had aspirations for bigger things, mainly, big cocks. Sadie attributes her foray into XXX on the fact that she needs to cum as much as possible. "I am horny all the

time," she said. "I masturbate a lot. I usually just use lube and my fingers on my clit with a porn DVD on. Guys think that girls find porn gross but that's not true. Some do but a lot of girls love to watch porn and cum. If I can't have sex, I think that porn and masturbation are the next best thing."

When she is not busy masturbating, Sadie is on the hunt for new and exciting sexual trysts. On her radar? Guys with big meat because this plumper has quite the appetite for the pepperoni pony. "When it comes to cocks, I like them nice and big because they feel so good inside of me. When I can, I like to have sex six or seven times a week. And I like being seduced by a bold guy." So, if you want to score with this ginger, confidence and cock-size are key!

And just in case you are wondering, Sadie does NOT have her hopes set on being a one-man woman. Why is that? Because chances are that after she is done with you, she will be out on the hunt for a curvy lady to have sex with, too. "I would love to be with a girl with big boobs. I want to have hard-core, strap-on sex with a girl." We say YES to that!
